June 2021

Dear Parents and Guardians:

Summer is almost here. And with that, we proudly introduce the **Clear View Summer Program 2021**. As always, we are planning fun-filled, educational activities for children of all ages.

Once again, we ask for your help in making the summer activities as rich and fulfilling as possible. To that end, we ask each family to contribute \$25 per student to offset the cost of running the program. We would welcome any additional monetary donations in support of the recreation and exploration that make Clear View's summer program a great experience.

If you have any questions about the program, please email me at [rmarsella@clearviewschool.org](mailto:rmarsella@clearviewschool.org) or call me (914)941-9513 ext. 5380.

Wishing you and your families a great summer.

Yours truly,

*Rita Marsella*

Rita Marsella  
Summer Program Director
